# Kinder-Prep Class

(Ages 5 years)

Christ Lutheran Learning Center offers a very low teacher/child ratio which provides lots of caring interactions.

This class is for children that are five years old, but not attending kindergarten in the fall.

Our Kinder-Prep program serves as a bridge between preschool and kindergarten to provide students with additional time to develop fundamental skills needed for success in an age and developmentally appropriate setting. This class is modeled on a modified kindergarten curriculum.

Their time in Kinder-Prep will help them to succeed in kindergarten, become leaders in the classroom and confidently navigate the school day routine.
