Christ Lutheran Learning Center

April 2023

Week of the Young Child - The international celebration of childhood that was initiated a number of years ago by UNICEF is observed during the month of April and is known as the Week of the Young Child. It is a time for us to consider the needs of all children for quality childcare, for safe environments, for fostering healthy minds and bodies. As a celebration of childhood, the Learning Center is hosting an Art Show during April. Our entryway will be decorated with artwork from the children at Christ Lutheran Learning Center. This is always an exciting time for the children to be able to see their art displayed on the walls. Please feel free to pickup early or stay a few minutes after drop-off to enjoy our art!

Easter Parties

Easter parties will be held on Thursday, April 6 beginning at 8:45 a.m.. Each class will have an egg hunt followed by a snack. Every child should bring twelve (12) plastic eggs filled with a treat and taped closed. Your child will also need a basket or bucket to collect their Easter eggs. If you are the classroom party parent, please be in contact with your child's teacher so party plans can be made.

Parent - Teacher Conferences

Opportunities for parent-teacher conferences are available in March through May. Conferences are held during class time as arrangements will be made for a substitute in the classroom. Sign-up sheets will be outside the classroom (about a week ahead of time) for you to choose a time to meet with your child's teacher if you feel a conference is needed. If you have an immediate concern, your child's teacher will be happy to schedule an earlier conference.
